

# Wedding Ceremonies

AT JANE'S CAROUSEL

Studio AbdelaTex

Our Carousel pavilion and deck overlooking the East River is the perfect romantic venue for intimate wedding ceremonies.

**Simple Private Wedding Ceremonies** take place before opening or after closing hours. They are held in the pavilion and on the Carousel deck depending on the weather. The Carousel is heated but it is not air-conditioned. Folding doors fully open up along North (river) and South facades to allow for ventilation and breezes. Wedding ceremonies at the Carousel are both picturesque and magical.
